

Finca Cantos del Bosque

Rincon de la Vieja

12.7 ha (32 acres)

\$390,000 USD

Located in the mountains near Rincon de La Vieja National Park just 40 minutes from the City of Liberia, you will find this rare little piece of paradise. Lush and green all year round. Beautiful views out towards the ocean and the Guanacaste plains. Cooler climate – no need for heat or A/C. A rare find with a beautiful river and water fall right through the property. This is a great location for an eco lodge with great hiking trails with views. Power and water easily available to construct more cabins. Wildlife and birds abound here so perfect for bird watchers and other nature lovers. Lots of potential for a tree tenting lodge, which is a fast growing outdoor activity with a minimal investment. Adventure lovers will love spending evenings suspended in the beautiful rain forest environment – no better way to experience the real jungle. Lots of potential for this out of the ordinary piece of property.
