Developing raw property in Costa Rica can be challenging and time consuming but what if you could find development lots that already have been segregated and are part of an existing Master Plan. Lots that have underground electric, water, a sewage treatment plant in place, all roads brick lock, an existing Club House with fitness center, ocean view pool, restaurant, entertainment room, beach front land for a future Beach Club and of course, beautiful views of Culebra Bay, the Gulf of Papagayo and looking over and beyond the Four Seasons Papagayo Resort. Location – On the Las Trancas road, the main route to reach Playa Panama and Playa Hermosa. 12 minutes to the Liberia International Airport and two minutes to the beach in Playa Panama. The Papagayo Region is heating up again with hotel investors, One & Only 7 star, Ritz Carlton, Secrets Resort, Marriott, Walmart opened last year and Price Smart (Costco) is now open. Another Liberia Airport \$76 million dollar expansion with new runways and airport expansion.. We offer one of the best locations with development prepared land. Lot 12 offers ocean views on this 3208.78 m2 parcel There are 8 water letters allowing for your choice of villas, town homes or condos on these development parcels
