

Isabella Lot 3 - Playas Del Coco

Ready to Build - 767.63 M2 - \$120,000 USD

Introducing Isabella Lot 3, a 768m² ready-to-build homesite that perfectly captures the essence of tropical living in Playas del Coco. Nestled within a quiet private residential community, this property features infrastructure with paved concrete and brick roads, all while keeping essential utilities readily available for immediate construction. The lot is uniquely framed by lush green spaces and majestic mature trees, offering a natural canopy and a sense of secluded serenity that is hard to find so close to the action. The location of Isabella Lot 3 is truly unparalleled, offering quick access to the vibrant downtown area while remaining a peaceful retreat. You are just a short distance from the famous Coco Beach boardwalk and a mere five-minute drive from the Pacific waves. Convenience is a hallmark of this property, as it sits next to a variety of supermarkets, restaurants, pharmacies, and local shops. Furthermore, with the Liberia International Airport only 25 minutes away, this lot represents a seamless blend of accessibility and Pura Vida charm, making it the ideal foundation for your custom Costa Rican sanctuary.
