RIO BLANCO RETREAT - \$139,900

This gorgeous property is just off of main road 164, only 40 minutes from the Liberia Int'l Airport and 8 km from the charming rural town of Guayabo - known for its clean energy production and the volcanic thermal hot springs in the area. The property is over 6,000m2 and there is a two bedroom concrete home that measures 125m2. In addition, steps from the house there is a 40ft container that is currently being used for storage but could easily be converted to living or working space. There is a wading pool or pond waiting for a little TLC and a rustic outdoor kitchen area. The Rio Blanco river wraps around two sides of the property providing peaceful sounds and an inviting environment for a variety of wildlife. It's a naturalists paradise but close enough to amenities that you can get what you need daily.
